Venue: On arrival, take the lift to Level 4 and follow the signs
Parking is available underneath the building on Level B2 (lower level)

Time: 6:00 pm for 6:30 pm start (refreshments prior to talk)

Speaker: Peter Knowland of PKA Acoustic Consulting

RSVP: Friday, 7 August to Paul Maddock by email Paul.Maddock@epa.nsw.gov.au
AAS members (and guests upon request) are welcome to attend.

Do all acoustic laboratories give the same results? Peter will discuss the performance differences between different labs including the two North Ryde labs (EBS and CSIRO) the CSIRO Highett lab, NAL and Kilargo, Brisbane. A discussion will also be held on INSUL and the dangers for the unwary.

Peter Knowland has been involved in the field of acoustics since 1958 and has played an important part in the formation of the Australian Acoustics Society and the AAAC. He was involved in a number of landmark projects throughout Australia and in Auckland, Singapore, Hong Kong, Paris, Bangkok and Manila. Peter received the NSW Division's first Excellence in Acoustics award for his work on the Aotea Centre in Auckland, New Zealand.
