

## Job Opportunity

# Acoustics Project Consultants, Melbourne, Sydney & Newcastle

### About the business and the role

SLR Consulting is an employee-controlled international environmental consultancy with a globally recognised reputation for providing high quality tailored services. With offices throughout the Asia Pacific, Europe, North America and Africa regions, SLR Consulting is one of a very small number of specialist environmental consultancies. We provide consultancy advice and support on a wide range of strategic and project-specific issues to a diverse and growing base of business, regulatory and governmental clients.

SLR has Australia's largest and most established Acoustic team. We currently have positions available for Project Consultants to join our teams in Melbourne, Sydney and Newcastle. In particular, we are looking for candidates with up to 5 years' experience, who have a passion for acoustics and are looking to take their career to the next level. We will also consider applicants seeking industry experience as well as recent graduates with the appropriate skills and ambition.

### Job tasks and responsibilities

You will be responsible for carrying out a great variety of assignments and will require a broad knowledge and understanding of engineering methods and techniques to solve problems. You will carry out technical tasks which will require accuracy in calculations, data analysis, modelling and design. You will have strong communication skills both written and verbal.

### Skills and experience

Our ideal candidate will have a willingness to challenge their capabilities and be an innovative thinker. A relevant Bachelor's degree is essential. Capability and experience with coding, GIS, noise monitoring and prediction would be viewed very favourably.

### Job benefits and perks

SLR values our staff, and we look to provide a supportive and collaborative working culture. Joining SLR, you will get the chance to work with a large number of well-respected industry leaders across our nation-wide offices. Accordingly, successful candidates will be offered an attractive salary package, global interaction with SLR staff and an innovative benefits program with a strong focus on targeted professional development.

For an opportunity to be considered for one of these roles, please apply by submitting your CV and a cover letter to [apaccareers@slrconsulting.com](mailto:apaccareers@slrconsulting.com) quoting reference PC1A&V.
