

INTERMEDIATE ACOUSTIC CONSULTANTS **ADP SYDNEY & MELBOURNE OFFICE**

ADP Consulting is a young multi-disciplinary Consulting Engineering firm which through the successful application of innovative design has become a business which offers a distinct level of service and quality engineering in the construction industry.

We are seeking two Acoustics Consultants to work within our successful Sydney office and Melbourne office. We require an aspiring Acoustic professional with passion for building services and acoustics.

We are looking for:

- Australian based Acoustics consulting experience
- At least 2 years' experience in acoustics
- Knowledge and understanding of NSW / VIC acoustics standards, policies, regulations and legislation (with other states highly regarded)
- Relevant qualifications and memberships to Australian / International Acoustics associations
- Advanced report writing and communication skills
- Relevant Tertiary Education
- A self-motivated person with passion, drive and a positive attitude.
- Strong interpersonal and communication skills and experience liaising with external and internal clients and experience in delivering projects across multiple sectors
- Focus will be towards building services Acoustics
- Environmental acoustics assistance may also be required from time to time
- Conduct site measurements and analysis of acoustic parameters such as; reverberation time, STI, sound transmission, environmental noise, etc.
- Previous experience in acoustic modelling using software such as; SoundPLAN, CadnaA, EASE, Odeon, etc. would be an advantage
- Carry out materials and equipment research
- Ability to think laterally and interrogate data and results

We are the next generation of engineers and managers who understand and challenge the raft of emerging technologies and then blend them with traditional building services design to create better buildings.

Are you ready to be involved in the evolution of ADP Consulting? To apply please email your CV and covering letter to Samantha Singh at s.singh@adpconsulting.com.au or contact us on 02 8203 5447. Please specify if you are applying for our Sydney or Melbourne position. All applications will be treated as confidential.
