### TERMS OF PAYMENT

For approved accounts 30 days credit. Settlement is NET and is to be made by the last day of the month following statement date (approximately 30 days).

Payments will be appropriated to the settlement of outstanding accounts in the date order that they were rendered.

Any acquiescence by CSR Limited to the failure of the Buyer to pay for the goods on the Due Date will in no circumstance constitute a waiver by CSR Limited of its right to payment on the Due Date nor will it be construed as an agreement to provide credit otherwise than in accordance with these terms.

### CLAIMS AND DISPUTE

If the Buyer forms the view that the goods delivered do not accord with the order placed:

- it shall notify CSR Limited of this view as soon as practicable.
- the notification is to be in writing, and,
- the notification shall detail the way in which the goods delivered do not accord with the order placed.

Failure to give such notice within 7 days of the date of delivery shall raise the inference against the Buyer that the goods delivered are in accordance with the order placed.

The Buyer shall be deemed to have accepted the goods as delivered if it fails to keep the goods delivered in the condition they were in when delivered or declines in a reasonable request of CSR Limited to inspect the goods.

### ADVICE

Any advice, recommendation, information, assistance or service provided by CSR Limited in relation to the performance, application or appropriateness of the use of the goods is given in good faith but is given without liability or responsibility on CSR Limited's part unless the provisions of the Trade Practices Act 1974, ("the act"), provide otherwise.

### LIMITATION OF LIABILITY FOR BREACH OF A CONDITION OR WARRANTY

Pursuant to section 68A of the Act the following clause applies in respect of any of the goods or services supplied under this contract which are not of a kind ordinarily acquired for personal, domestic or household use or consumption, provided that this clause will not apply if the customer establishes that reliance on it would not be fair and reasonable.

CSR Limited's liability in respect of breaches of express or implied conditions and warranties, other than the warranty as to title, is limited to any one of the following as determined by CSR Limited:

- the replacement of the goods or the supply of equivalent goods, or,
- the repair of the goods, or,
- the payment of the cost of replacing the goods or of acquiring equivalent goods, or,
- the payment of the cost of having the goods repaired.

CSR Limited shall not be liable for any damage arising out of or in connection with special, consequential, direct or indirect loss, damage, harm or injury suffered or incurred as a result of such a breach unless such liability is imposed on CSR Limited by the Act.

### RISK

The responsibility for loss of or damage to the goods shall pass to the Buyer upon delivery of the goods to the Buyer or its agents or to a destination nominated by the buyer or to a carrier nominated by the Buyer.

### PROPERTY

We own the goods until they are paid for. Goods supplied to you remain our property until we receive payment for all amounts you owe to us. If your account is in default we have the right to enter your premises (or the premises of any associated company or agent) to retake possession of the goods, without liability for trespass or damage. If you resell the goods, or if you sell products manufactured using the goods, then you must keep the proceeds of the sale in a separate, identifiable account until we have been paid in full.

### DELIVERY

Refer to the Gyprock price list for Terms and Conditions of Delivery.

### TERMINATION

CSR Limited's agreement to continue to deliver or sell shall always be conditional upon it being satisfied of the Buyer's ability to pay and comply with these conditions. If CSR Limited ceases to be so satisfied it may suspend and or terminate deliveries and shall not be liable in any way for any claim, damage, expense or cost arising there from and all monies then outstanding by the Buyer shall immediately become due and payable and recoverable.

### AGREEMENT

These Terms and Conditions represent the entire agreement between CSR Limited and the Buyer and any alterations must be in writing signed by CSR Limited and the Buyer.

### SEVERANCE

In the event that it is held that one or more of these terms are not enforceable, the remaining terms shall apply between the Buyer and CSR Limited.
